CLIENT TESTIMONIALS

John L. Scott | REAL ESTATE

"Van made himself available 24/7 and was willing to help with any question I had, no matter how obscure or difficult. His experience in a very competitive Seattle market really set him apart from anybody else and is the sole reason I was able to get a new condo as quickly as I did.

He is honest and really understands what I was looking for in a new place. I would 100% recommend Van to all of my friends and family moving to Seattle."

- Gavin

"We couldn't recommend Van more highly. Our number one priority was having an agent who listened to us. Van not only listened, but he took notes about our conversation the first time we met him at an open house, and that's why we invited him back to talk to us when it was time to put our place on the market.

Van and his partner Wendy were always positive and helpful about the marketing process but they didn't sugar coat anything. They expected the house to sell quickly (and it did), but they made sure we understood that it was the market that would ultimately determine the results, and that was a difficult thing to predict much less guarantee. Their recommendation on pricing for the market was spot-on. We don't think we would have gotten nearly as much interest in the house if the initial pricing hadn't been set where it was.

Van was professional and friendly. We never felt like we were on our own when it came to the selling process and he was always available with information and help from the beginning of the process to the closing."

- Dave & Joan

"Van did an excellent job in working with us and selling our condo. We live in Alaska and our condo is in Seattle. Yet, Van made everything easy. He was immediately responsive to any question or concern. He guided us throughout the entire process. And, he has a delightful sense of humor."

- Linda

Van is a super nice guy that will be a bulldog when needed to protect your interest. He will not push an agenda on you, but will do whatever you ask to sell your property. I both bought and sold my VRBO property from him because he is totally trustworthy and one great guy.

Van was an excellent resource and guide for us as we were looking to purchase a condo in Seattle. We ended up purchasing one of the first condos he had selected to send us for our review. We recommend him highly.

Van is incredibly knowledgeable about condos and homes in and around Seattle. Not only does he have expert knowledge about the market and it's current trends but he is well versed with all parts of purchase and sale agreements.

Bought a Townhouse in 2015 for approximately \$800K in East Queen Anne, Seattle, WA.
01/18/2016

Our needs were very specific and the Seattle market was a challenge to find everything we wanted. Van is very good at understanding what kind of home his clients are asking for, even if they don't know what we were doing since this was our first home in the area. His experience in the area is obvious and the homes he recommended were top notch!
